

**GUESS WHICH
SUPERMARKET**

DODGES

Every little penny

Tesco control 30% of the UK grocery market and have over 2,000 stores in the UK. In 2010 they made a profit of £3.4bn, yet they will still go to great lengths to avoid paying tax. Using complex legal structures Tesco has avoided stamp duty land tax to the tune of £90-£100m and £23m in stamp duty.
