Remind the officers of the law!

Film the incident! Where possible, ask the person stopped if that's OK, or just film the officers involved. This may be useful in making a claim in the event of an unlawful stop or arrest.

Physically obstructing officers may put you at risk of arrest for obstruction: BUT this a minor offence.

Make other members of the public aware of what's happening!

Attempt to pass on a phone number to the individual if you think the stop will lead to arrest. Possible useful numbers: Soas Detainee Support: 07438407570 Bail for Immigration Detainees: 020 7456 9750
