2. Cost of hire of facilities

BASE charges for the use of facilities in order to cover our running costs, utility bills, and wear & tear.

Whilst each request for use is considered separately, we require:

A. Payment for room use of £5-£10 per hour for any room; **except kitchen** which due to increased energy costs is now £10 minimum per hour for non-BASE cooking.

OR B. Labour contribution. If you have a regular event then the contribution is to do a regular cafe cook / BASE clean (unless agreed otherwise with BASE). If you are hiring a space as one-off, then the contribution is to help with one Sunday cafe or do one clean of BASE (1-2 hours work depending on numbers).

If you really cannot afford the basic room hire of £5 minimum per hour please contact us first via email. Note that we welcome & expect people to pay more than £10 per hour if they can afford it. Thanks.

Important - for requests to hold **Benefit Cafes or Events**, and/or **Film Nights**, please **Contact Us first directly by email** to discuss your event & the space(s) required.

Note that borrowing books from the Library, and Wi-Fi, is free...but donations are always welcomed.

3. Use of the facilities

- Read and understand the **BASE Anti-Oppression/Safer Space Statement** (on page 3).
- It's okay to accept donations for your event, but no one should be refused due to lack of funds.
- **Payments for room use are in advance** (details will be sent to you); OR failing that - put in a marked, dated envelope & put through letterbox in the office door upstairs on day of your event.
- **All initial bookings** are made via our [online Booking Form](#), where you can also request repeat bookings (if for some reason you cannot use the online form then email us!).
- **When you leave** please stack away chairs & tables as appropriate, turn off lights & electrical equipment, remove all possessions and rubbish, wash up any cups etc.
- Ensure external doors are kept closed at all times.
- Do not allow anyone into the building who is not attending your event or another event at the same time (note that all of BASE's Co-op members and some volunteers have their own keys to gain access to the building).
- In the event of a problem, liaise with one of BASE's Co-op members – phone numbers are by the café door.
- In the event a problem cannot be resolved on the spot, or if you have a subsequent complaint, please do write or email with the full details.
- **Where the user has been given a set of keys to lock up**, they should ensure all doors front & back, and all windows are securely closed/locked; all lights & equipment switched off in building; CH/HW switched back to timer if it has been changed; and nobody has been left in the locked building!

B. BASE Anti-Oppression / Safer Space Statement

This is a policy written by people involved in BASE about how we want to interact with each other. It is [on our website here](#).

We want BASE to be a place where:

- we enable one another to feel welcome, safe and respected;
- class, gender, race, sexual orientation, physical ability, educational background or other difference between us is accepted as just that: a difference;
- we work together to make things more equal, recognising that this society gives some groups unfair advantages or power;
- no one is belittled, spoken down to, silenced, negatively pre-judged or otherwise oppressed on account of their differences;
- we accept that we may be challenged if others feel we are not living by this agreement;
- we tackle oppression when we experience or witness it;
- we make time to build stronger communities and networks, even when this feels difficult;
- no one is abused, psychologically or physically;
- and anyone who feels unsafe, oppressed or abused in any way, feels confident to challenge it and/or or to seek support knowing that they will be treated seriously, with care and compassion;

This is a policy that everyone who uses BASE agrees to live by. If you feel that something is missing, or that someone has broken this policy, please contact [basesocialcentre\[at\]riseup.net](mailto:basesocialcentre@riseup.net)

We have an [Accountability and Conflict Resolution Process](#) that we are happy to facilitate with your guidance.
