So what is Subrosa?

Subrosa is a new cafe and social centre. We serve tasty hot and cold vegan food at affordable prices. You will always find fresh coffee as well as lots of tea and cake.

Subrosa is a place where we can meet new people, share and explore ideas over a brew or some tasty food. You can bring your own food or drink with you and are very welcome to come in any time without buying anything too!

We have board games, music, books, magazines and free computer access, or you can run your own event too.

What makes Subrosa different?

All our members have an equal say in what we do. We work together as volunteers and new members are always welcome. We'd love to shape it with you and there are loads of ways you can get involved.

Subrosa can be used for community events, meetings, film showings and social events too... Speak to someone inside for more information.

We hope the centre will be used to get people thinking and talking about stuff which affects us all: the environment, our society, how we feel, our politics and economics. It is a place where we can create new ideas and share them openly without any form of oppression.

Get in touch (see below) or pop in for some tea and cake! We are at 27 Lloyd Street South, M14 7HS.
