\*\*\*Notes: due to the late submission of the 2016 AGM minutes to the Treasurer, this led to a delay in getting all the documents together to send to CSM to request a £300 TPU payment in late 2016 so a number of TPU items were paid for from the main grants account in late 2016 (office key copies, shelving for office, giant wall planner, paper for flyer printing etc). These will be paid for by TPU funds in early 2017 when the next £300 grant comes through)
