

## Become a marvellous Makery Member

**What's Todmorden Makery?:** The Makery is a fantastic free workshop where you can make and craft using loads of tools and materials. **Make something creative or get help from our volunteers to repair things like bikes, clothes, household items and electronics.**

Repairing and reusing is **good for the planet** and our warm and friendly atmosphere is **good for people**. You don't need to be a member, but joining us comes with benefits! Do pop into one of our drop-in sessions. We're based in the Tod Community College.

### Makery Member perks

- Be the first to hear about workshops and skill-share sessions on crafting, upholstery, DIY, kids' activities and more.
- Come along to members' socials and get-togethers.
- Get the pleasure of helping this unique place stay up-and-running.
- See what's happening via the fortnightly Members' e-newsletter.
- Plus...your own Makery tool apron or badge, made by you with our help and materials.

**It's free to be a member, but we – and the planet – do need help. So, please give what you can**

Our core annual costs are a bit over £5000. That's mostly rent (£3000), tools and materials (£2000) and admin, publicity and accounting (£250). **Our aim is to raise half of that via a funding application, and the other half from members.**

### How do I join?

Fill in a quick online form at [todmordenmakery.org.uk/join](http://todmordenmakery.org.uk/join). Or give your details below and return to the Makery.

Name:	
Email: (add me to the news mailing list)	
I can help as a volunteer or share skills (optional)	<input type="checkbox"/>
