The fascist organisation, the English Defence League (EDL), is planning a march through the centre of our town on Saturday 23rd August. This is a Bank Holiday weekend when the town centre will be busy with visitors and local residents enjoying a summer break

Fascism and racism are a threat to our society. That's why it is vital that local residents make a stand against such divisive and dangerous groups. We must show that they do not speak for us! Join the demonstration. All members of our community welcome
